Pattern 4

Today FL Studio version 20.8.3 build 2304 is available!

Playlist - Arrangement > fx_hit3

z CROSS STRETCH

Track 1: sea_small_waves_bi, Pattern 1, sea_small_waves_birds, ba..ng 5, Pattern 1

Track 2: sea_small_waves2, sea_small_waves_birds, Pattern 3, ba..ng 5, ba..ng 5, sea_small_waves_birds

Track 3: songbird1, sea_small_waves2, Pattern 4, ba..ng 5, ba..ng 5, ba..ng 5, sea_small_waves2

Track 4: baby_crying_5, songbird1, ba..ng 5, china_s_etcombo, ba..ng 5, ba..ng 5, ba..ng 5, songbird1

Track 5: baby_crying_5 #2, ba..ng 5, revo..d04, revo..d04, revo..d04, ba..ng 5, ba..ng 5, ba..ng 5, ba..ng 5, ba..ng 5, ba..ng 5

Track 6: baby_crying_5 #3, clock_alarm_ring1, clock_gra_fathers3, clock_gra_fathers3, clock_gra_fathers3, revo..d04, ba..ng 5, ba..ng 5, clock_gra_fathers3, clock_gra_fathers3, clock_gra_fathers3

Track 7: telephone3, dis..1, liquid 1, ba..ng 5, ba..ng 5, dis..1, bioch..work 4

Track 8: dishes_washing_1, door_close5, door_close4, fx_hit3, gl..k5, musical layer 2, ba..ng 5

Track 9: glass_break3, gl..#2, gl..#2, gl..#2, gl..#2, musical layer 2

Track 10: glass_break6, jack_treet, jack_treet, ba..ng 5, ba..ng 5

Track 11: glass_break7, glass_break5, gl..#3, gl..#3, gl..#3, ba..ng 5, ba..ng 5

Track 12: glass_break5 #2, glass_break5 #3, sea_small_waves2, ba..ng 5, ba..ng 5

Track 13: drill_2, jackhammer_street, mystic bed 3

Track 14: work_paint_3, baby_crying_5 #2

Track 15: work_atmo01, baby_crying_5 #3

Track 16: work_stapler_2

Track 17: china_streetcombo

Project description

- This piece of musical composition tells a story about alien abduction.
- Section A(0:00-1:45):
 - In 2021, in a peaceful European rural village near Alps mountain, a baby is sleeping in a restroom. While his parents are cooking dinner, a big-head-thin-body alien sneaks into the house. This alien want to capture a human baby to upgrade it to be a super baby by genetic experiments. The alien successfully catches the baby. However, the alien is spotted by the human parents.
- Section B(1:45-3:00):
 - The human parents summon all the villagers carrying weapon to pursue the alien for grabbing back their baby. Since the alien's UFO is hidden in a fruit market in the small city at the foot of the mountain, the alien must pass the forests to reach there. This section primarily narrates the pursuit in the forest.
- Section C(3:00-4:09):
 - Eventually, the alien arrives the city. However, the people in the city has known the abduction beforehand, therefore those people also start to pursue the alien.
- Section D(4:09-4:40):
 - By running and hiding, eventually the alien goes back to his UFO and flies away.
- Section E(4:40-6:14):
 - The baby is placed in an incubator along with other human babies collected by the alien. The aliens start to inject baby with their medicine and carry out experiment to modify the babies' genetic information. Eventually, they succeed, and those babies become smart but looks and sounds like monster in appearance and voice.
- Section F(6:14-7:57):
 - After experiment, the baby is quietly placed in the curdle in the initial human house.
 - But this time baby makes weird noises.
 - Parents open the door, and see the baby was there.
 - Story ends.

Technical info

- Music: I compose them in strict harmony and melody to reach specific effects. For section A, I use Chris Hein Strings samples to write a strings section to express the harmony of the family scene. In section B, I use Kontakt Session Strings to play staccato and Kontakt Essential horns to play melody. In section C, I use the same instruments but this time I have added Kontakt rise & hit, western African drum, and Kontakt factory library's percussion to make the rhythmic layers. For musical content, I still use KSS and KEH.
- Sample libraries:
 - I use three sample libraries designed for cinematic composition
 - Best Service Blue Box 16
 - Best Service Studio Box Mark III
 - Best Service Studio Box Vol. 1-4
- Effector used:
 - Waves bundle
 - Center
 - CLA 3A
 - SSL Comp
 - C6
 - Soundgoodizer, FL reverb 2 (FL studio)
